The Kung Fu Spectacular Hits Blu-ray and DVD April 19

International superstar Donnie Yen (*Ip Man*, *Hero*, *Seven Swords*) reteams with Director Wilson Yip (*Flash Point*, *IP Man*) to reprise his iconic role as IP Man against the formidable competition of martial arts legend Sammo Hung (*Kill Zone*, *14 Blades*) in ***IP Man 2: Legend of the Grandmaster***, when the global box office hit debuts on Blu-ray™ and DVD April 19 from Well Go USA. The film takes up where its predecessor left off, with Ip Man escaping the Japanese occupation of his hometown and arriving in Hong Kong, where he opens a martial arts academy to teach his unique Wing Chun style. But Ip must first prove himself to the corrupt cabal of Hong Kong martial arts masters— which he does, in one of the most amazing fight sequences ever committed to film, showcasing a dazzling variety of martial arts styles.

Escaping CGI, MTV-style editing, and blasting techno music for a return to skilled performers, ace choreography, and top-notch production values, the *Ip Man* films have ushered in a new era of Hong Kong filmmaking and cemented its status as a trailblazer by receiving 10 nominations at the 30th Hong Kong Film Awards, including Best Film, Best Director, and Best Action Choreography. The Blu-ray and DVD feature both the original uncut and un-dubbed
